Reply Comments on Interim Licensing Proposal

93-253

Dear Mr. Caton:

On March 11, 1996, this office, on behalf of A+ Network, Inc., filed with your office the appropriate number of reply comments addressing the interim licensing procedures proposed by the Commission in the captioned proceeding. The timely filing of that pleading is evidenced by the attached photocopy reflecting your office's receipt stamp on its first page.

It appears that the copies of the pleading filed with your office did not have a certificate of service attached. However, the certificate of service was attached to all copies served on other parties to the proceeding, and the certificate accurately reflects that service by mail was effectuated on the filing date.

In order that the certificate of service may be reflected in the record of the captioned proceeding, we are hereby submitting five copies of the certificate of service associated with the pleading. We trust your office will see to the proper disposition of these certificates.

Should you have any questions with regard to this matter, please communicate with the undersigned member of this firm.

Sincerely,

BELL, BOYD & LLOYD

A. Thomas Carroccio
